

The Bible speaks of a coming day when all will be held accountable. In this life we find injustices that are never made right and wrongs that are never punished, but on that day everything will be made right. **Acts 17:31** *For he has set a day when he will judge the world with justice by the man he has appointed.*

Read **John 5:22**, and tell who will be doing the judging:

Read **2Cor 5:10**, and tell where Christ is seated in this passage:

Read **1Pet 4:5** and **Acts 10:42**, and tell what two groups will be judged:

Read **Rom 14:12**, and tell what each one will have to give to Jesus?

Read **Matt 25:31-32**, and into what groups will all be separated:

Read **Heb 13:17** and **Rom 14:10**, and tell who will be subject to judgment:

Judgment will not involve Jesus listening to excuses for our behavior. Read the following scriptures and describe what information Christ has about each person:

1Cor 4:5 =>

Rom 2:16 =>

Ecc 12:14 =>

Heb 4:13 =>

Matt 12:36 =>

Some people claim that on Judgment Day, 'good' people will be saved and 'bad' people punished. Others say that everyone will be accepted by God because He is 'love'. What does the Bible say will be the standard of judgment?

Read **John 12:48**, and tell what will be used as the standard for judging:

Who will be condemned?

When will this judgment take place?

Read **John 5:26-27**, and tell what two things God has given Jesus the authority over:

We are told that as Christians, we are heirs of God and fellow heirs with Jesus. This seems to give us a special role in judgment. Read [1Cor 6:2-3](#) and [Jude 6](#), and tell what the saints “will judge”:

Read [Matt 19:28](#) and [Luke 22:29-30](#), and tell what special role was given to the apostles:

For many the idea of Judgment Day brings fear and denial, but for the faithful Christian it should have a different appeal. Read [1John 2:28](#), and tell what the Christian reaction should be:

Read [2Pet 2:9](#), and describe the assurance given:

Read [Romans 8:1](#), and describe those to whom this applies:

Read [2Tim 4:7-8](#), and tell to who the ‘crown of righteousness’ will be given:

Read [1John 5:11-14](#), and tell the reasons that John wrote this letter:

Read [John 15:5-6](#), and answer:

To what is the faithful Christian compared and what is the result?

To what are the unfaithful compared and what is the result?

Read [Heb 10:28-31](#), and describe what an unfaithful Christian can expect at judgment:

Read [2Cor 5:11](#), and tell how Paul described going to judgment unprepared:

What was Paul’s goal in view of this?

Read [2Tim 1:9](#), and tell what will and what not save faithful Christians:

Consider:

Whose judgment of what is right or wrong really matters? ([1Cor 4:3-4](#))

Why has God ‘delayed’ judgment to this point? ([2Pet 3:9](#))
