QUESTION OF THE WEEK

According to proverbs 1:24-27,
what does Wisdom do when those
who rejected her have calamity?

If we say that the Bible is the inspired word of God, then everything that it teaches is accurate and correct. Listed below are the facts about creation and some scriptures backing them up:

1) God created everything.

Gen 1:1, Ps 33:6,9, Ps 19:1, Acts 4:24, Col 1:16, Heb 1:2, John 1:1-3

2) The creation was accomplished in six literal 24 hour days.

Gen 2:3, Ex 20:11, Ex 31:15-17, Joshua 10:14

3) Man has been on the earth since the creation. Man was created on day six and has been here ever since.

Mk 10:6, Matt 19:4, Rom 1:20

4) Adam was the first man.

1Cor 15:22,45, Rom 5:12-14, 1Tim 2:13

5) The Bible gives the genealogy from Adam to Christ.

Gen 5, Gen 11, Matt 1:1-17 (through Joseph), Luke 3:23-38 (through Mary)

6) The Bible teaches that we need a savior to redeem us from sin.

Gen 3:15, 1 John 5:11-13, Heb 6:19-20, Col 2:13-14

7) The writers of the New Testament believed Genesis 1-11 to be historically accurate. All four of the gospel writers quote from these chapters and 17 of the 27 books contain direct quotes from them.

A Christian cannot believe in the inspiration of the Bible and yet accept the premise that things evolved by natural selection over billions of years as the theory of evolution teaches. In fact most of the world has dropped the 'theory' from evolution and considers it as a proven fact, which it is not and never will be. Nor can the Christian accept the idea that God created things and then let 'evolution' take over from that point. This is what is known as 'theistic evolution' and is just an attempt to compromise the Bible with the world's teaching. This compromise requires millions of years and is not what the Bible clearly teaches.

If the Bible is examined by those without bias, it is shown to be absolutely true and accurate to what is observed in the natural world.
